

Thank you for shopping at Anastasiya Multimedia Studio.  
New products and Freebies are posted frequently, so please consider following my store.

*Please take a moment and review my TERMS OF USE!*

All designs and images are the creative property of Anastasiya Multimedia Studio and should not be redistributed unless incorporated into a new design and safely secured. Buying or downloading graphics does not transfer the copyright to you. Nor can you claim these graphics as your own.

Images may be used in personal & commercial products. You must ensure that your documents are flattened and secured in PDF format so that they cannot be easily copied or extracted.

These graphics are intended for personal and small commercial use. If you intend to sell more than 1000 copies of your product, please contact me about a large production license. This does not apply to digital download teaching resources.

You may use images in your digital product. Please lock down the images in PDF or similar. Making the images moveable is permitted.
